High School

- ▶ Challenging stage of education in many countries
- ▶ One of the main challenges: school dropout
- ▶ In Brazil a large proportion of students do not graduate from HS
 - Among students enrolled in 8th grade in 2008–2012: only 62.4% graduated from HS

HS graduation

- ▶ All students enrolled in 8th grade between 2008–2012 (School Census 2008–2017)

Sample	Graduate HS	Graduate HS or EJA
All	62.4%	70.7%
Girls	66.9%	74.1%
Boys	57.6%	67.0%
Public School	59.1%	68.1%
Private School	84.7%	87.8%
Black/Natives	56.1%	65.2%
White/Asian	70.4%	76.7%

Issues

- ▶ Dropout is huge, but it is not the only issue
- ▶ Low levels of proficiency
- ▶ Transitions into university and into labor market

Many policies were (has been) implemented

1. Escolas de tempo integral
2. Programas de melhoria da gestão escolar (Programa Jovem de Futuro, Programa do TCM-RJ)
3. Reforma do Ensino Médio
4. Integração com Ensino Técnico (Novotec)
5. Pagamento de bolsas (Programa Renda Melhor Jovem, Pé de Meia)

Presenters

- ▶ Prof. Tássia Cruza (EBAPE-FGV)
- ▶ Prof. Ricardo Madeira (FEA-USP Instituto Unibanco)
- ▶ Prof. Caio Castro (FGV-EESP CLEAR)

Thank you
